## **Oversubscription & Scale back details**

Will individual +security holders be permitted to apply for more than their entitlement (i.e. to over-subscribe)? Yes

### Describe the limits on over-subscription

Eligible retail shareholders taking their full entitlement may also apply for additional new shares up to a maximum of 25% in excess of their entitlement. Allocation of additional new shares will be limited to availability of new shares from eligible retail shareholders who do not take up their full entitlements and that would otherwise have been offered to ineligible retail shareholders if they were eligible to participate in the retail component of the entitlement offer.

### Will a scale back be applied if the offer is over-subscribed? Yes

### Describe the scale back arrangements

If there are excess over-subscription applications, AQC reserves the right to scale back applications for additional new shares in its absolute discretion. In the event of a scale back, any application monies received for more than an eligible retail shareholders' allocation of new shares and additional new shares will be refunded following allotment. No interest will be paid on any application monies received and refunded.

#### Will these +securities rank equally in all respects from their issue date with the existing issued +securities in that class? Yes
