At the Company's Annual General Meeting held on 29 November 2012 shareholders approved an additional 10% placement capacity for shares to be issued under Listing Rule 7.1A. The Company has progressively used that additional placement capacity where it meets the conditions for placement under Listing Rule 7.1A.

The Company has become aware that the ASX had provided a revised Appendix 3B form together with some ancillary guidance material to facilitate additional disclosures required where the Company makes shareholder approved placements under Listing Rule 7.1A.

The additional disclosures now provided are administrative in nature and have no impact on the issued capital of the Company. By providing the additional disclosures, the Company is complying with its obligations to shareholders by ensuring that it preserves and maximises its placement capacity under both Listing Rule 7.1 and Listing Rule 7.1A.

Yours faithfully
